

Minutes for School Community Council for Bryce Valley High School
January 9, 2017, 6:00pm

Attendance: Lance Syrett, Jeff Brinkerhoff, Laree Bybee and Carlon D. Johnson

Minutes: The council reviewed the minutes. No changes were made.

Trust Lands Plan: Much of the budget of the current year is spent as outlined in the plan. An amendment to the plan was emailed out earlier in the month with 6 members responding with approval. Mr. Brinkerhoff reported on the specifics of what will be in the plan amendment. Mrs. Bybee briefly outlined what they do in regards to implementing trust land fund spending and what this is doing to help our students achieve academically. Almost all students are being served from this plan, and we are seeing results. And, as the students move on to high school, their performance has been higher. There is also help available to all high school students, if they will take advantage of it.

The council approved the budget unanimously in previous meetings and the amendment will be submitted

Next Meeting will be: Feb. 13th 6pm

Meeting adjourned
